CARIBBEAN MOBILITY FUND

PREAMBLE

The Caribbean Mobility Fund is a program of the Ministry of Culture (General Secretariat, Directorate of Cultural Affairs of Guadeloupe, Martinique and Directorate of Culture, Youth and Sports of French Guiana).

This program supports the mobility of artists and cultural professionals within the Caribbean region, as well as to the United States, Canada and Brazil. It addresses a genuine need in the territories and responds to significant challenges related to artistic mobility.

Beneficiaries will receive assistance to finance all or part of their mobility in the form of a transportation allowance if the application is submitted by an individual, or in the form of a project grant if the application is submitted by a structure.
